

VINYL COVERED HANDLES

25569-577

25569 - Black
25577 - Brown

FEATURES:

- handles look just like leather.
- screws are not included but #6 flat head screws are suggested.
- polyethylene covered for comfortable carrying.
- style is adaptable to many case designs.
- has raised stitch.
- available in brown and black.
- corrosion resistant finishes.
- easy installation.

INSTALLATION:

1. Place handle into desired position on carrying case. Position for balance.
2. Draw centerline A-A across the depth of case top. (See Fig. 2)
3. Measure 2-7/8" away from each side of line A-A and draw lines B with a square. (See Fig. 2)
4. Measure 1/2 of case depth and draw line C-C.
5. Measure 1-3/8" from points CB and draw lines D.
6. Indent and drill pilot and anchor holes for the four screws at points CB and CD.

APPLICATION:

A hand contoured handle for use on many carrying case designs.
