**Vertical Installation**

1. Cut a follower strip the same height as the door.
2. Mount the hinge mounting plates to the follower strip and install the hinges in door.
3. Mount the follower strip to the slide mounting plate.
4. With the follower strip attached, mount the slides to the side of your cabinet.
5. Mount the pivot blocks to the bottom of the cabinet.
6. Mount the door to the hinge mounting plates on the follower strip.

**Blum Hinge Installation**

1. To locate center of hinge cup hole on back side of door, measure over from edge of door 25.4mm (1”). Drill a 35mm (13⁄8”) diameter by 13mm (1⁄2”) deep hole.
2. Insert hinge into the 35mm hole and position hinge so arm is perpendicular to edge of door. Screw in position.
3. Next, locate the hinge mounting plate on the inside of the follower strip so that the centers of the two holes are 13⁄16” from the front edge of the strip. Screw the plate to the follower strip.
4. Slide hinge arm into mounting plate and clip into place.
Horizontal Installation

1. Hook mounting brackets 1 and 2 to the slides. The tabs on the mounting brackets should face the center of the slide.

2. Mount the slides to the cabinet. Alignment is important.

3. Cut a follower strip the same width as the door and machine hinge recesses as shown.

4. With the slides in position, mark the screw locations on the follower strip for the slide mounting plate.

5. Remove the front mounting brackets from the cabinet; this will make the remaining steps easier.

6. Mount the slides to the follower strip.

7. Mount the hinge mounting plates to the follower strip and install hinges in door.

8. Remount the slides with the follower strip attached.

9. Mount the door to the hinge mounting plates on the follower strip.

Blum Hinge Installation

1. To locate center of hinge cup hole on back side of door, measure over from edge of door 22.5mm (7/8"). Drill a 35mm (1⅜") diameter by 13mm (1/2") deep hole.

2. Insert hinge into the 35mm hole and position hinge so arm is perpendicular to edge of door. Screw in position.

3. Next, locate the hinge mounting plate on the inside of the follower strip so that the centers of the two holes are 11/16" from the front edge of the strip. Screw the plate to the follower strip.

4. Slide hinge arm into mounting plate and clip into place.
