

IMPORTANT REMINDERS - RECEIVING SHIPMENT FROM SAWSTOP:

SawStop cannot repair or replace boxes or crates if receiver fails to note missing or damaged pieces on delivery receipt.

- freight carriers typically deliver on a 53' trailer and deliver only to dock or end of driveway*
- refuse any significantly damaged box/crate that appears unusable, note on delivery receipt & call SawStop 503-570-3200*
- make notations regarding missing boxes/crates on delivery receipt & call SawStop 503-570-3200*
- make notations regarding any ripped, torn, or punctured boxes or crates on delivery receipt*
- always write "possible concealed damaged, subject to inspection" on delivery receipt prior to signing*

Notify SawStop IMMEDIATELY (503-570-3200) regarding missing or refused pieces as SawStop needs to contact carrier directly to file claims and/or replace product.

SawStop cannot repair or replace boxes or crates if receiver fails to note missing or damaged pieces on delivery receipt.
