

SHOP STAND IDEAS: SHARPENING STATION + DRILL PRESS TABLE

One way to maximize space in a smaller shop is to have everything on wheels. These configurations of Shop Stands provide the right space, stability and mobility for your sharpening wheel and benchtop drill press. And if you want more storage, check out our Dust-Free Shop Trays. They're sized and drilled to easily install on 18" and 24" stands.

Enclosed cabinet + drawers

One 18"W x 18"W x 28"H Shop Stand on Locking Casters. To add drawers, you'll need to install blocking at the sides. Shown with Dust-Free Shop Trays.
